

“What other Retailers say about us . . . “

“We are quite pleased with the capabilities of the **Unify** software (**& IBM**)—we should have upgraded years ago...outstanding job with this project...feel free to use The Smokehouse Market as a reference...”

Therese Ravens, General Manager, The Smokehouse Market

“From the beginning, the thought of investigating and then implementing a POS system seemed a daunting task . . . It was clear to us that DCRS stood alone in product (**Unify & IBM**) and customer service!”

Lisa Schofield, Owner, Ginger Pye

“I have dealt with three previous POS systems in the past thirteen years. I just wanted to let you know that switching to the **Unify** system has been a pleasure...”

Grace Moran, Owner, Famously Yours Uniform

“We just wanted to drop you a note of thanks expressing our supreme satisfaction with the product (**Unify & IBM**) and services we received from your company and all your employees.”

Laura Caruso, Owner, LuLu Belles Fine Fabrics & Gifts

“We were engaged in perhaps the most difficult **Unify** installation...(your employee) handled it all marvelously...”

Bud Starr, Owner, Starr’s Market

“The people of Data Cash Register have “gone the extra mile” to make the system (**Unify & IBM**) fit us, instead of trying to make us change to the systems . . . Implementation has been made easy with the support and training we have received.”

Joan E. Repking, Vice President and Accounting Manager, Pool King

“Thank you for all your help with the implementation of our new point of sales (**Unify & IBM**) system. The system is user friendly and fun to use.”

Trish Totta, Pro Shop Coordinator, Cerner Corporation

“The quality people who work at DCRS and the products and services that you offer are reasons why I would recommend your company to other retailers.”

Brandon Elliott, IT Store Systems Project Manager, Build-A-Bear Workshop

“...installing **RMS** at The Woman’s Exchange...committed an extraordinary amount of time...allow us new capabilities in tracking information...”

Jessica Wright, General Manager, The Woman’s Exchange

“...I couldn’t be more pleased with the product (**RMS & IBM**). I had spent months and months researching different systems and vendors for a POS system and finally found the perfect fit with this system.”

Kathi Johnson, Director of Retail Operations, Museum of Transportation

“...one event demonstrated the importance of purchasing a POS System from a company that provides superior customer service...appreciate the advice and direction...I am pleased with the **Microsoft RMS**, but more importantly I am happy with the high level of customer service and support that I receive from DCRS.”

Scott Newcomer, Owner, Jake’s on Main
