

Unify POS

Gift Pro Module

The single store Gift Pro module enables a store to manage their own Gift Card program, without the need of an expensive third-party gift-card processor. Gift Pro gives you the same functionality, without the high processing fees.

- **A single store module that is included in the LOADED version of Unify POS**
- **Eliminate High Gift Card Processing Fees**
- **Manage Your Own Gift Card Accounts and Balances**
- **Gift Card Balance on Receipt**
- **HOST Gift Pro is also available for multiple stores**

Automatically stores Gift Card information at HOST in real-time, with optional Unify Messenger & Unify HOST Works with Base and Loaded versions of Unify POS
